Deputy Director, Office of Court Operations

Date: July 25, 2003

Attached for your information are a circuit court fee summary, a summary of assessments and surcharges, a civil forfeiture table, and a criminal fine table. These materials reflect the following changes to court fees, surcharges, and assessments under the 2003-05 budget (2003 Wisconsin Act 33), effective July 26, 2003:

1. An increase in the filing fee for the Court of Appeals and Supreme Court from \$150 to \$195.
2. A 30% increase in the court support services fee. This will increase the defendant's cost for a civil forfeiture by \$16, the filing fee for a small claims action by \$12, the filing fee for general civil cases by \$39, and the filing fee for actions affecting the family by \$16. The court support services fee goes 100% to the state general fund.
3. An increase in the crime lab and drug assessment from \$5 to \$7.
4. An increase in the special prosecution clerks fee from \$2 to \$3.50 (applicable only in Milwaukee County).

As noted in LB 03-03, the \$8 truck driver assessment passed by the legislature in 2001 has become effective for violations committed on or after August 1, 2003. This assessment applies to commercial violations of Wis. Stats. chapters 346-348.

If you have received this bulletin electronically, these materials are attached. You can also download them from the court's web site at <http://www.wicourts.gov/circuit/> under "fines and fees summary".

These summaries and tables are intended as guidance and do not replace the statutes as the source of authority for fines, forfeitures, fees, and assessments. If you have questions about the tables, please contact Marcia Vandercook or Robert Brick in the Office of Court Operations, 608-266-3121.

Fee Summary and Fine and Forfeiture Tables

Circuit Court Fee, Assessment and Surcharges Summary

This summary has been created to provide additional information about when the various fees and assessments are imposed and how the money received is distributed. This summary is adapted from a chart originally produced by the Milwaukee Clerk of Courts Office.

Civil Forfeiture Table Instructions

The left-most column shows the amount of the forfeiture to be imposed. The “Total” column shows the amount of the forfeiture plus the fees in each row. The remaining total columns for the various assessments and surcharges show the total for the forfeiture plus the fees plus the given assessment or surcharge.

For example, a forfeiture of \$5 results in a total of \$125.20. If the offense is also subject to the Natural Resources Assessment, the final total of \$128.95 shows in the appropriate column.

Criminal Fine Table Instructions

The left-most column shows the amount of the fine to be imposed. The “Total” columns (whether misdemeanor or felony) show the amount of the fine plus the fees in each row. The remaining columns show the amounts for assessments and surcharges. Add all applicable assessment and surcharge amounts to the appropriate total amount.

For example, a fine of \$10 for a misdemeanor results in a total of \$97.40. If the offense is also subject to the Drug Abuse Surcharge, the \$6.20 surcharge amount must be added to the \$97.40.

Notes to the Tables

1. In some cases, the court may also order the defendant to make a contribution to a crime prevention organization pursuant to ss. 753.40, 973.06(1)(f), or 973.09(1x).
2. In cases in which restitution is ordered under §973.20, the court may also order payment of an Administrative Cost under § 973.06(1)(g) and an Administrative Surcharge under §973.20(11)(a). The Administrative Cost is an amount equal to 10% of the restitution ordered. The Administrative Surcharge is an amount equal to 5% of the total of the restitution, costs, attorney fees, and fines and related payments ordered under § 973.05(1).
3. The penalty assessment, jail assessment, crime lab and drug assessment, justice information fee, and court support services fee may **not** be collected for seat belt violations.

4. In some cases, the court may order the person to pay a reasonable fee, based on ability to pay, to offset the cost of establishing, maintaining, and monitoring community service work ordered under § 346.65(2g)(b) or visits ordered under § 346.65(2l).
